Support from the public and private sectors is vital for our continued quality programming and exhibitions. General operating support is received from the North Dakota Council on the Arts, the Arts Partnership, the City of Moorhead, and the City of Fargo. Special projects are funded by private and public foundations. In addition, the Giotto Fellowship—a program established by the Rourke's Board of Directors—provides support for building projects, our permanent endowment, and art acquisitions and restoration on an ongoing basis. Support from these individuals and agencies is making The Rourke Art Gallery + Museum a recognized center in the Upper Midwest, turning our founder's vision into reality. The Rourke is grateful for this generosity.

A membership at The Rourke Art Gallery + Museum is a means to help support and enjoy the art and programming we present. Members are invited to special member previews, held at the opening of each exhibition, where they have the opportunity to meet the exhibiting artists. Members also receive advance notice of events at the Rourke, keeping them well informed of Rourke happenings. Another benefit is member gift art: every year, the Rourke commissions an artist to create prints, photographs, or other artworks executed as a multiple which is given to our members as a way of showing our thanks for their sustained contributions.
